ELSEWEDY ELECTRIC | BUILDING SOLUTIONS

BUILDING SOLUTIONS. ENGINEERED AS ONE.

Elsewedy Electric Building Solutions, the trading arm of Elsewedy Electric Group, delivers advanced Heavy Equipment, MEP, and Integrated Smart Solutions with a focus on performance and reliability.

Backed by a diversified portfolio and strong global partnerships, we provide tailored, end-to-end solutions that meet international standards and support evolving client needs.

MACHINERY

HEAVY EQUIPMENT
Comprehensive portfolio of advanced machinery solutions.

POWER GENERATION
Reliable Power Solutions for Prime & Standby Power Requirements.

SUSTAINABLE POWER SOLUTIONS
High-efficiency solar modules for renewable energy needs.

MEP

COOLING & HEATING
Efficient HVAC solutions for optimal comfort and performance.

COPPER TUBES
High-quality copper tubes for various applications.

VERTICAL TRANSPORTATION
Safe and reliable elevator and escalator systems.

WATER INFRASTRUCTURE SOLUTIONS
End-to-End Solutions for Water Infrastructure, Irrigation and Fire Protection.

INTEGRATED SMART SOLUTIONS

BUILDING AUTOMATION & SMART INFRASTRUCTURE
Smart systems for efficient building management.

INTELLIGENT BUILDING SOLUTIONS
Integrated solutions for connected buildings.

OUR PURPOSE

1 MISSION

To power progress across industries by delivering integrated, high-performance solutions that combine advanced technologies, proven expertise, and execution excellence. Driving efficiency, enhancing performance, and creating sustainable value for our customers

2 VISION

To lead the region in integrated solutions, setting new standards in innovation, performance, and engineering excellence across industries.
